Metal Quotations.

New York, April 25.—Business was very slow in the market for metals today. The general undertone, however, was weak owing to continued increase in receipts and the pressure of holders to sell. Cables from London were irregular, copper showing some advance, while tin was to lower, but did not influence the market in either direction.

Tin, locally, was 12½ points off for the day and closed weak at 28.89 bid and 29.87½ asked.

Lake copper ruled dull and unchanged at 17.00.

Spelter was dull and easy at unchanged prices, closing at 4.69 bid and 4.65 asked.

Lead continues dull at 4.67½ bid and 4.72½ asked.

The brokers' price for lead was 4.45 and for copper 17.25.

Condition of the Treasury.

beautiful design, made of gold and black gun metal. The watch and the fob are made from gold, black gun metal and copper obtained from the Philippines, the gun metal and copper being from ships destroyed in Manila. The hours are marked on the gold dial, not by Roman or Arabic numerals, but by the letters of the admiral's name, there being eleven of them, and just enough to occupy the required spaces. Admiral Dewey, in reply, said: "I value the praise of the children and the affectionate enthusiasm they show me, and I have never been more touched than now. So lorg as the chil-
